

Marina Bay Sands, Singapore

60,000m² Durafit 500, 34,000m² New Supreme, 57,000m² Softwalk and 32,000m² FR7.

One of Singapore's most recognisable landmarks, the Marina Bay Sands Hotel & Casino was built in 2010 with over 2,200 luxurious hotel rooms, a casino, theatre, museum and shopping mall. A beautiful holiday resort in the centre of Singapore that has something for everyone.

Interfloor was proud to supply over 34,000sqm of our New Supreme Sponge Rubber Underlay with 57,000sqm of Tredaire Softwalk, installed into the 2,500+ guest rooms and 60,000 sqm of our Durafit 500 Crumb Rubber Underlay and 32,000sqm of Tredaire Flame Retardant 7 installed into the Casino & public areas.

Durafit 500 was the perfect solution for the Casino and Public areas as Crumb rubber is the most durable underlay available,

	Thickness	Density	Tog	dB
FR7	7.00mm	145kg/m ³	1.99	34
New Supreme	8.75mm	391kg/m ³	1.00	39
Softwalk	9.00m	110kg/m ³	2.69	41
Durafit 500	5.25mm	400kg/m ³	0.83	26

offering 90% recovery from compression as well as containing 65% recycled materials.

Tredaire New Supreme was chosen for its versatility, offering luxurious comfort under foot and resilience to compression which can cause indentation in the carpet or even trip hazards. This was used alongside Tredaire Softwalk, one of our premium PU underlays that will provide the luxurious underfoot feeling across areas of the hotel rooms.

About Interfloor

Interfloor have been leading the way in underlay manufacture for over 70 years, consistently innovating in the field to produce many of the world's most trusted flooring products. Known for their durability and ease of installation, Interfloor's Duralay and Tredaire ranges can be found in many high profile interiors across the globe, including airports, casinos and hotels.

Interfloor has developed world-class underlays that optimise the life and appearance of carpets, luxury vinyl tiles (LVT) and hard flooring for a wide variety of environments and now exports millions of square metres of underlay to luxury hotels for use in guest rooms, transit areas and communal spaces.
